Dear Lesley,

We are sorry to insist, but we do not understand what do you mean by "their own transportation" ?

We remember you and you will see in attachment that Mrs [REDACTED] rented a car with our partner "Welcome". We want to advise you that, during this period, if they do not take the reserved car at their arrival, they will be charge the full amount of the car rental.

Can you please let us know as soon as possible and also their arrival time. Thank you.

Best regards

Mariane
