Hi Lesley,

It is very unfortunate but I absolutely understand... Jeffrey is being very sweet letting us stay longer;) I spoke to my roommate, we will stay and move by the end of the month. She is leaving next weekend for Christmas to see her family and if we move now, it's only me who will have to sleep on the floor and be surrounded by boxes so we decided to move when she comes back. I hope new furniture will arrive by that time;)

Thank you very much Lesley for talking to Jeffrey and trying to move things forward!

Have great weekend!;)

HI [REDACTED]...I have spoken with Jeffrey regarding you wanting to move this weekend and the furniture you would like to take...unfortunately, we just can't let the furniture go yet...the Artefacto furniture is not expected for weeks...if we let you take the 2 beds, etc, we would be down 2 apartments...I'm so sorry, but Jeffrey requests you just stay in 10B for the time being...the minute we get the new furniture and we can swap it out, it is yours...no problem.

I'm sure this will not make you happy and I don't know what happens to the apartment you have found...If you want to move this weekend it is entirely up to you...but it sounds like you wouldn't have much furniture to live with.
