The issue was space. Besides leg extensions, what is he looking to accomplish that this machine does not do? I recommend the FT2 as see below....On this one, the leg extension/leg curl attaches to the cable so it is not plate loaded.....

Carlos...Jeffrey says he "doesn't want plate loaded anything...he prefers a better machine"....  
can you help?

Lesley, the M4 was discontinued a year ago. The quote and link I sent was for a Ft1.

Thanks

Hi Carlos...Jeffrey forwarded me the link to the Inspire M4 Multi Gym that he says was supposed to have been ordered...? He says: this is what the PB gym was supposed to be:

[http://www.inspirefitness.net/catalog/product\\_info.php?products\\_id=32&pn=M4%20Multi%20Gym](http://www.inspirefitness.net/catalog/product_info.php?products_id=32&pn=M4%20Multi%20Gym)

Who placed the order for the Inspire machine?

Thanks,
