Subject: YOU ARE TOO MUCH!!

Russell!! I just opened my card here on the train! I am overwhelmed by your generosity and kindness!! You did not need to give me \$100 gift card! Wow! That and a bottle of wine!?!? You are truly in the Christmas spirit!! Totally unexpected and not necessary but greatly appreciated! I was just happy to see you and catch up a bit!! Wishing you a very merry Christmas and all the best with you and your business in 2015! You know I will always keep you in mind if we are in need of help at our Office. Take care and thank you so much again. Really great seeing you. Brought back memories!!
