Subject: Change codes on apartments

Merwin, can you please help [REDACTED] with changing the idea on their apartments today. Also, could you change the code on apts 11B, 8A, 11J as well. Please please make note of each new code and send to me!! I am keeper of the codes ;) [REDACTED] has been asking forever to change the codes and I agree it is probably time!

Sounds like [REDACTED] should have the instructions to change the codes. If not, you can get the make and model number of the lock off the lock itself and google the instructions.

Thanks!! :) [REDACTED]
