Subject: Re: Change codes on apartments

Please only change 11B, 8A and 11J for right now...I will ask [REDACTED] if she would like 10B changed (she is currently living there) WE have a guest in 11P and I don't want to confuse her...we can change the code in 11P after she leaves (which is this Friday)

So, for today, please change 11B, 8A, 11J and [REDACTED] apt...If [REDACTED] gets back to me quickly, I will let you know...

Thanks!

Please please make note of each new code and send to me!! I am keeper of the codes ;) [REDACTED] has been asking forever to change the codes and I agree it is probably time!
