Okay confused here. Sorry.

Is it possible to make this simple...

1. Joi and Larry to meet at Maartin Nowak's office and someone get them a conference room. They then will be there for the dinner and then Larry and Jeffrey can decide where they want to go afterward.

2. Larry's house is not near Brattle Square....(my fault).

Or they could go to Larry's home, which is less than a mile away.

Hey Sarah...I have not heard back from Jeffrey...I will ask him again but they may just play this by ear...Jeffrey is staying at the Charles Hotel, perhaps they go back there? Is it ok to play by ear? Have them figure out?
