Starting Jan 1st, Amex will not allow anyone  
accept for Jeffrey to book travel on his Amex  
card **unless they are registered as an  
account manager under his account.**

Bella/Rich, you must go to

["americanexpress.com/registeraccountmanager"](https://americanexpress.com/registeraccountmanager) and log in as Jeffrey (with his user ID and password) Then you must answer all the questions that are asked. I am told you should do this as soon as possible. ...once Jan 1 rolls around they will not make exceptions and allow me (or anyone else JE has given permission to book travel in the past) to make any new reservations.

I have been told Jeffrey should have received emails to his email account that is registered with Amex Travel already re this Fraud Protection change.
