Thank you for choosing JetSuite!

Please find a preliminary itinerary for your trip with JetSuite starting on December 4th in our CJ3 in the attached PDF document, which also includes the names of all private terminals to be used for your flight(s). For all flights associated with this reservation your Flight Number is RED STRIPE 269 (RSP269), and referencing it is the ONLY way to track the status of your flight when using websites like FlightAware. The Flight Number should also be used when arranging any third party services such as ground transportation or catering. Lastly, due to the interchangeability of our aircraft, a tail number will be provided the evening prior to departure.

If you have any additional questions or concerns please do not hesitate to contact us at any time at either 

Kind Regards,

Vivian Wan
