Subject: Jeffrey Epstein

Hello Victoria. Jeffrey Epstein has commissioned an artist at the New York Academy of Art to paint your portrait...he wants to do this as a gift for your father :)

Might it be ok for me to pass along your name, email address and phone number to Lisa Kirk at the NYAA who is heading this project to help in coordination? Possibly, you could meet with the artist over your upcoming Dec. break from school...

Please let me know...

Thank you,

[REDACTED]
Assistant to Jeffrey Epstein
