can you tell me exactly how much you wired? did you wire the 1233.25 or the 1195.65?

We did receive the 1,195 but the invoice total was 1233.25. Not a huge difference but just have to make my accounts line up!

Sarah...did you have an incoming wire fee from your bank taken from the total? the accounting dept sent \$1195.65 to larry's account...

██████,

I wanted to let you know that we received notification of payment! I have one quick question though -- the payment is just under the total of the invoice for \$1,195.65. Do you know if there was an item on the invoice that wasn't covered or was that just a mistake? Wanted to check so I can make sure my reporting is correct.

Thanks!

Sarah
