hello :)
nop he did not get back to me, I think he's at the island at the moment? and then I thought he was supposed to be back in NY next week but I might be wrong.

Anyway, yeah I'll be here for the first two weeks of Dec unless something changes on my side.

I'll just throw it out there, I'm in Boston on December 1st and I think he has a dinner the night before there so if he's still around there that works too for me

Thank you as usual!
Vincenzo
