Just want to remind you that St. Thomas did not 'fall back' as we did in the US! Therefore,  
they are an hour ahead of the East Coast...if it is noon in NY it is 1pm on the island ;)

I am still waiting to hear back from Jeffrey's pilot regarding which airport they will be flying in  
to on Nov. 30th. It will either be Boston Logan or Bedford,MA...as soon as I get word I will  
pass along.

Jeffrey does say they will land at 6:30pm.

The tail number of Jeffrey's plane is [REDACTED]

As a reminder...Be sure the men travel with their passports...

Thank you and be in touch soon re airport.
