Hi Les,
I'm fine with sending Leo to 301 but he would need an extra set of hands to help him move furniture.

Anthony can you spare one of your guys to help Leo out with moving stuff?

Thanks

[redacted], merwin, [redacted] and Lyn- we need to make sure that 11B is ready to go by end of the day Friday nov 21. Please see below from Penn. We need to make sure the bed is moved back in, all kitchen supplies, etc. If Leo is needed to help move things that is totally fine! Penn says they will be done and out of the apt by Thursday. So Friday will be a big day for 11B. We have an important guest arriving on sat. [redacted] and merwin Please confirm back. Thanks
