Good Evening

It seems I need to have my wisdom teeth removed. The oral surgeon has an opening on the 24th of November, to remove 2 teeth, the remaining 2 will be reviewed at a later date. I just want to make sure that this does not cause any conflict with your schedule. It is expected that I would be away from work between 2 to 5 days, depending how the surgery goes.

Please advise if I should confirm this date or request another option

Thank you

Warmest regards

Karen
