Hi [REDACTED]. I told we have no extra beds at 301. Do you have anything to sleep on for a month or so while we wait for the new furniture to arrive? :(

Thank you Lesley for your support ! :)))

Is there any furniture can be taken this week? Our new apt is absolutely unfurnished so we need at least beds or something to begin with. We left most furniture bc JE said he has a lot of it in good condition to be taken

Also do you know if in 10b furniture will be also changed ? [REDACTED] mentioned that we can take it once new arrived I just would like to know so I can start thinking of what would work for us :)

Yae! Congratulations!! Happy for you...yes, i'm sure any furniture you want is just fine. We can't strip the apartments of necessary items until the new furniture arrives (not sure when that will be) but once we don't need it, you may have anything! Be sure to schedule your move with the building so they know in advance of your move :)

I hope all goes well...send me your new address once you move...

Lesley, I also wanted to check with you about old furniture in apts, [REDACTED] said that we can choose whatever we want from old furniture but let you know in advance. We haven't looked at them yet. [REDACTED] will show us this week.
