Gregory! YOU left a vm on my phone at the office on Lexington!! I totally forget about this direct number for me here because I NEVER give it out...I must have called you at some point from it so you may have it as a contact for me...but do me a favor and delete it from your contacts for me...it is not a good number to reach me on as I am not here very often...ALways call either the 212 750 9895 or 917 749 2025 numbers...please delete: 212 971 1309!!

glad that was figured out cause it was driving me crazy!

:) Lesley
