7:00pm screening, Warner Bros. Screening room, 1325 Ave of the Americas,  
entrance on 53rd St.

Do you want to go all together...or I can get there at 6:30pm and hold all the  
seats.

It's a very hot film and may be very crowded. I will monitor this with the  
studio, so we know exactly how crowded it will be.
