Subject: Mailbox Key for 11B

Hi [REDACTED]..please call Andrew over at the apartments later today..he is having the lock changed on the mailbox for apt 11B (we don't have the key so we need a new lock and key)

Andrew: [REDACTED]

Please do not lose this key...! You can keep it until you get what you are waiting for, but then please give the key to [REDACTED] so she can keep track of it with the other mail box keys
