Hi [REDACTED]
Thank you so much for getting back to me so quickly. He is on that number but he's switched it off for the time being and I am trying to get it working for when he is back to the UK, and it will be on the same number. Best to contact him through me on this email or my number [REDACTED] When I next speak to him I can see if there is a number to get him on when he is in Asia.

Kind regards,

Hello! Rebecca. Nice to meet you! Julian did say you might be calling! The best number to reach me (Jeffrey) on is the office number which you dialed:

This is my work email.

Please let me know if Julian's cell number remains the same: [REDACTED]
[REDACTED]. He told me the other day he was changing providers. I will remind Jeffrey Julian is checking in to say hello and see if he can give him a call to catch up.

Thank you,
