Carlos, we would like to also have a tech guy come out to hard wire the machine for internet and what ever other bells and whistles! Is there any possibility to have done on Saturday as well?

Also, it can be hard wired to the internet for internet based usage. This is generally done by our service techs on a separate visit, which we can do the week after thanksgiving, pending he wants to use all of that....

Ok great. Saturday is good for delivery. They will set it up as well correct? Does it need to be programmed or anything? There is a TV? Do we need any special outlets?

Hello Carlos. What is your time frame for delivery and set up this Saturday to Jeffrey's home in PB? How long do you estimate for the job?
