**Subject:** More Mailbox Keys :)

Hi Andrew...could we please have the mailbox locks changed out on the following mailboxes as we do not have the keys to them (or have misplaced them!)

8A  
10B  
11P  
11B

I'm so sorry to be a pain, but if we get it done now then we don't have to bother you anymore in the future...[REDACTED] will be the keeper of the keys...once the locks are changed you can give to her ([REDACTED] is cc'd here)

NOTE: The key for 11B can be given to [REDACTED] today then [REDACTED] will give the key to [REDACTED] for safe keeping...

thank you, Lesley
