Please see below from Eduardo's assistant...is it ok for her to give our details to Francesca Antonacci?

Hi, [REDACTED]

Hope this message finds you well....?

Eduardo asked me to write just to check that Mr. Epstein is OK with us giving his/your details to Francesca Antonacci, the lady who is dealing with the sale of the sculpture(s).

I will wait to hear back from you before proceeding.

Thanks very much in advance and look forward to hearing from you.

Kind regards,

Karen
