thanks Anthony. I believe Karyan and [REDACTED] will have to be in touch with you regarding what else to move in to 8A.

Bella will handle the Time Warner issues. Do let her know if Andrew finds the box in the basement.

Thanks, Lesley

Ok
8A does not have any cable box in the apt. I will ask Andrew to check in the basement. We still need a new connection from the hallway into the closet so I would call Time warner.

We will have 8A ready for Monday. A few boxes should be moved.. We will move the bed and kitchen ware and whatever else you want from 11 B to 8A

We need only 10B ready by tomorrow please. [REDACTED] will be moving in for about a month...8A we will need but it is not

imperative for tomorrow any more. We will need a bed in there as soon as you can , but if tomorrow doesnt work, Monday or Tues next week is fine...blinds as well Mon/Tues is fine.

Please make sure that cable is reordered or set
up for these units. Not sure what you have in
8a. 10B needs verizon to come to reconnect
