Ok

8A does not have any cable box in the apt. I will ask Andrew to check in the basement. We still need a new connection from the hallway into the closet so I would call Time warner.

We will have 8A ready for Monday. A few boxes should be moved.. We will move the bed and kitchen ware and whatever else you want from 11 B to 8A

We need only 10B ready by tomorrow please. [REDACTED] will be moving in for about a month...8A we will need but it is not imperative for tomorrow any more. We will need a bed in there as soon as you can , but if tomorrow doesnt work, Monday or Tues next week is fine...blinds as well Mon/Tues is fine.
