ok, or I can do 1pm...I'm just trying to maneuver in between meetings of Jeffrey's ...I can't be on a skype call when I have people in my office ...which is essentially the 'waiting area' for guests...

I will.. LOL. Worst case, If you have problems maybe you could meet her in the office or at a Starbucks, for 15-20 min? But I will get her screen name, I have a call and email into her, I should get her shortly,.

Hi [REDACTED] Good news, Hilary is sending me 4 days availability to Skype, However, she happens to have the day off tomorrow, so if you can do it then it would be really ideal, also if you wanted to meet her tomorrow after the Skype, that would be great as well as she would not have to take time off from work, she lives in Manhattan, which is also great, . There are also some additional qualities that I like ex:. she has supported some senior level people in financial firms, also I like and her personality , she seems to get it, when you explain things to her, Let me know, but if you can do it tomorrow it would be great!
