If she could go after 10am it would be great...If you could let me know tomorrow when she is on her way that would also be helpful as the house is huge and sometimes they don't hear the front doorbell...I can tell them to be on the look out for Ana...

Dear Lesley,
No problem. She will do it tomorrow. Would you please let me know the time?
Best,

Hello Jilla! Doing well and hope you are too! Incredibly, I have no one at the house today to accept a delivery...the house man is not feeling well and stayed home...could Ana possibly take tomorrow? I know the maid will be at the house tomorrow...sorry for any inconvenience!
