their sashimi is really fresh. large thick slices. with bowls of rice on the side. (but i think many people prefer nigiri over sashimi.) from the sushi a la carte page i usually get tuna, yellowtail, salmon, mackerel. all of the raw maki rolls are good. when i called the restaurant they said they can put everything on large platters. the seaweed salad is also good. yakitori (appetizer page) is good - bbq chicken on skewers.

Hi May...so Jeffrey let Joi decide where he would like to have the food catered from..Joi has chosen Yoki! I have asked Joi to look over the menu and provide me with his favorites keeping in mind we need to order for 6 people...Considering it is your favorite sushi place also, perhaps you can provide some items you think should not be missed!

hi [REDACTED]
i called around and these 3 restaurants (menu links below) can deliver for 8pm
Sunday Nov 30th.

my favorite sushi place in cambridge:
<http://yokirestaurant.com/Menu.html>
for platters select sushi, rolls, sashimi
from menu and/or chef's choice.
for George they can prepare a separate plate
without animal products (eggs, milk, cheese)
and rice is gluten free
and they have both regular and gluten free soy sauce.

Martin's favorite gourmet pizza and salad:
<http://thejustcrust.com/catering/specialty-pizzas/>
for George they can make separate pizza with gluten free flour
and salads without animal products.

Oggi can deliver burgers
<http://www.oggigourmet.com/menu.html>
but i worry about grilled food
arriving cold/soggy.

i'm still waiting to hear back from
this regional Italian restaurant in boston
because they are supposed to have great

Parmigiana di Pollo (Chicken Parmigiana)

<http://casarazdora.com/catering-menu/>

this bakery near the institute has interesting cakes

<http://www.finaledesserts.com/bakery/menu.php>

in addition to the round cakes (largest 10 inch serves 12-16)

we can order larger rectangular sheet cakes

with more traditional options like white or chocolate cake with buttercream frosting.

in case the cake can't be delivered

could Jeffrey's assistant(s) walk 0.1 mile to pick it up?

good question...who usually handles the food? Jeffrey will pay for it of course...let me ask him what he wishes to do...Could you suggest places that cater?

Perhaps I can send him menus so he can have a look...
