hi jeffrey,

.. i started working in two bathrooms and one hallway in front kitchen but there are more cracks in other rooms too. the cracks are very thin but when when i dig them then its empty underneath..

its a meticulous work and it takes time.., i cannot finish everything, i need maybe like extra 4-5 days.

my flight back to ny its on thursday oct 16th. should i finish only what i started and go back to ny oct 16th, or stay longer and finish everything?

thank you,
ion
