Subject: Re: Paris Wx / flight time

Ok, thx, I bet we delay at least,  
JE did ask about using the Boeing for this trip, the other pilot I use as flight  
engineer, his daughter is getting married tomorrow, he's not able to fly until  
Monday or Tuesday, so that's a possible change also.,  
Thx

we go, I think it's the girls that are wanting to go to Paris,, if Sultan is in  
Paris I bet we go, if not, I bet we got to PBI then LSJ, is my bet, have you made  
any Paris appointments?
