Ok good deal. I do think the TV is important to JE. You said you have the time Warner acct info?  
Or do you need Bella to help?

Hi Les,  
I did some research and called precor and I was able to register and set up the console. He can now go on the web and customize his workouts, the only thing I'm working on is to get the tv to work which might require Time Warner.

Thanks
