And SLS has a house car that will take us anywhere within 2-3 miles for dinners or whatever. That's nice. :) Sooooo excited.

I rented a car. It's only \$100 and so worth it not to have to get a taxi everywhere we want to go. Might not use it except for a few stops but it'll be nice when we get our water, vodka, soda, lemons, and salty snacks and not have to push a dang shopping cart down the street lol. And no cab fare to and from the airport either. :)
