I'm sorry for my delay.  
Trying to find an artist available to do the job and with my departure schedule,  
I'm sorry for not getting back to you.  
Let me keep working on the artist and then I'll schedule something with you for  
November.  
The only question I had was how he was looking for it to be painted...particular  
style?

today/tomorrow also and was hoping you might like to pop over to see the foyer in  
person. Let me know if possible. Thanks, [REDACTED]
