Jeffrey has moved wheels up to 5:30pm! He wants to leave directly from Leon Black's office with [REDACTED] after his meetings (we have moved his 4pm meeting to 3pm)...have the car packed and ready to go when Jeffrey leaves the house today!! If he is to meet Boris at 1pm in Soho, it means you must have everything ready to go prior to him leaving the house

(fyi-if it is still raining around 1pm, he may not want to meet up with Boris in Soho...he wants to see what the weather will hold)
