Morning Lesley,

Thanks. You know what ,? We discussed with my roommate and decided to use an agency service to get our stuff because we have so many boxes and some furniture. I am afraid to think how many times Jojo will have to drive back and forward to get all of them. I have another concern which I would highly appreciate if you could find out. Is there a space in 301 to keep temporary some of my furniture ?

I am not taking everything but some basic and important things for me: my bed, small shelf, large wall painting and kitchen supplies(dishes and etc) please let me know. Thanks,

No worries! I'm still waiting for the man to get back to me that Jojo is driving. Hoping to hear this morning.

Lesley , JE said to contact Jojo and ask him to help us to bring stuff/ boxes in his car. I just spoke to Jojo. He said that he is driving some JE's guest tomorrow and not sure what time. Would you be able to check please ? So we could work around his schedule
