wow...caching is right...

Karyna and [REDACTED] DO mix... [REDACTED] is in the roll of 'assistant' and they are friendly...

[REDACTED] and [REDACTED] are already in Europe right now...so hooking up with Jeffrey in Paris and traveling to Marrakech makes sense...what day does he say he will actually go to Paris? last i heard it was late thurs. 16th or morning of 17th...

FYI-I will be on holiday starting on the 16th!

Hello Les.,  
JE said Paris is looking real.,  
he told me NY - Paris the Passengers will be: JE, Kayrna and (I thought he said [REDACTED])  
then he said Paris to Marrakesh would be: JE, [REDACTED] and [REDACTED].,

I don't want to ask JE again just yet, in case you knew who is going to Paris? do you know if [REDACTED] and Karyna is a possible mix? (you know what I mean?)

the plan is to arrive in PBI Monday morning from STT with the GIV,  
he goes visits Celine Dion's house and we would switch aircraft and depart PBI in the Boeing later that day to either Islip or Westchester county, depending on fuel prices i'm researching at this time., I'll use 10,000 gallons in the Boeing to fly to Paris, \$\$\$\$ about \$50,000 one way in the big plane., caching

thx
