Got it :)

I am making one explaining where the machine is in the apartment and will just slip my laundry card in for good measure

Perhaps Yoni doesn't know there is a washer and dryer in his apt...if we leave a box of detergent along with a letter explaining where the washer/dryer is located in the apartment and that he is welcome to use this washer/dryer, he won't need a laundry card...right?

[REDACTED], tomorrow when you go to apt 11J to clean at 10am please leave a box of laundry detergent for the guest!

[REDACTED], you could type a letter for [REDACTED] to leave with the box of laundry detergent letting Yoni know there is a washer dryer in the apt?
