I would make them sign off. You never want them to have leverage over you later on. I don't think we will need side tiles. If we do, we may have some in the attic. Give me heads up on when tile will be there.

GO RUTGERS!!

Oh good, I'm glad you spoke to the tile guy...The new tiles are through customs and Vicki ordered me a sample last week. I should receive this week and we need to compare to what is in the shower now. I believe the other 2x2 gray tiles are stock items...Please do make sure that we don't need to order any 24x12 marble tiles...what does tile guy say? he just cuts the existing tile down a hair so he is able to install the new 2x2's?

I never heard back from the town re our plantings and I did not offer a follow up email! I am not going to stir the pot...looks great to me and they haven't said a thing!

Yes, Ike was not real happy about the Michigan game!
