Yes. I will be there at 4:30. I only have about 30 minutes as my next client is at 5:15 off Marshall Ridge Road. I am glad that you will be there. I can work with [REDACTED] for 15-20 minutes tomorrow and will talk with you for the rest of the session and we can discuss a plan. I prefer to be paid (\$75 check or cash) each week and will provide a statement suitable for insurance at your request. You can also pay me for a series of several sessions in advance if that makes it easier for you. We can do a statement once every few months or more often if you prefer. I look forward to meeting you and [REDACTED]
