Hi!! Sorry I missed your call...I am at work and was on the other line.  
-I will take a measurement of the pillows when I get home tonight

-I rec'd samples of both of these fabrics...but maybe I need a cutting of what is actually produced right now? Good idea...

-and totally fine on needing to credit/re-bill (at for new fabric at same per yard)...what ever is easiest for your book keeping is good with me!

Be in touch later..

Hi [REDACTED]  
I have some questions for you.

Please confirm the size of the throw pillows. ( doesn't have to be exact )

Did you receive any cuttings of these fabrics? If not, I should ask for them.

For bookkeeping purposes, I will have to credit you for the original fabric & then re-charge you for the new fabric. I'll work it out with Lili the sales rep so it won't be more a yard.

Thanks, Katie
