Hi [REDACTED]
Is there a packing slip? It should say the fabrics in the roll. Please save it for me.
I think I will need your credit card to credit you and re charge you.
I will ask the upholster to contact you.
I'm off today, however I am stopping by the store. I'll fax them your address & contact info.
Thanks, Katie

That sounds Good. What it looks like is most important.

Lili is just changing the Adair fabric cost to what they credited us for the Leo. Then we're good to release it.
I'd like to ship it to you if that's alright. Upholsterer can pick up with part of your sofa.
If not, I can have it come to the store. He can come by.
please let me know what you prefer.
Thx, K

Hi [REDACTED]
For some reason, I haven't
heard back from Lili. I called
JF, They have 2 pieces on
hold for me of the Adair
93S6021. A 44 yard piece &
10 yard piece. I also held 4
yards of the Liam 56S6601.
The goods are there. I over
reserved in case the 44 yd
piece was short.
