Hi Russell,

I was planing on contacting you this morning, same wavelength...

I have been very busy putting together a full presentation for him.
He said I had two weeks which would be next wednesday.

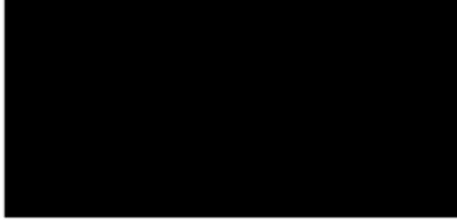

Can you please contact [REDACTED] and see when is a good time to meet with him?
If you can get thursday anytime would be ideal but if wednesday is the only option
I will make it work but will have to be in the afternoon.

Thanks,
Gregory
