Hope you're doing well. I just landed back in Europe. Can you let me know when Jeffrey gets to Paris and can see me (see below)?

Thanks,
Vincenzo

I'm taking off for Europe tomorrow, the optimization on the visa game ("Will Vincenzo be deported?") says that it's better if I leave now and come back mid Nov.

Anyhow the update is that I'm set on what I'm going to do (plus/minus some delta that is somewhat independent of me) and the "summary" is:
"Real-time mobile asset transfer provider that users can trust to send money cross-border [instantly], efficiently and reliably from anywhere to anyone."

It sounds dumb, but I have a way bigger plan for this ;) Plus it solves a couple of problems that the Fed highlighted (and potentially a problem that treasury has with bitcoin)

Maybe we should do a Skype call at some point or meet in Europe if you happen to stop by Paris or something like that

Take care,
Vincenzo
