Subject: Jeffrey Epstein/Steve Hanson

Hello Benoit. Steve Hanson has passed along your email address and information to me...might you be able to provide me with a couple of sample resumes of people you think Jeffrey would be interested in as a 5 star server?...you can block out any names, phone numbers or personal details...but we would like to see the pool of candidates you have and if they are the caliber Jeffrey is looking for...

...as a reminder, Jeffrey is looking for a 'worker bee'...someone to do the actual serving as well as teaching some of his current staff how to serve properly (not a manager)...Jeffrey has a home in NY, a home in Palm Beach, an island in the Caribbean, a ranch in New Mexico and an apartment in Paris...Jeffrey is not married, but usually has assistants (entourage) with him. When in NY, he usually will hold breakfast, lunch and dinner meetings...these are typically small gatherings, and many times just one on one...He has a private jet. He travels every week, mostly from his island to NY and back...PB is a few times a year (sometimes he stops there on his way to his island from NY for a night or two)...he goes to the ranch only once or twice a year...and Paris maybe 4 times a year. Jeffrey owns apartments in NY and would give an apartment to this server and would be considered as part of salary.

Once we have determined you have the right type of person, we would be happy to move forward with a contract/retainer...

Thank you!
