Subject: [REDACTED]/dinner

Last night [REDACTED] walked by the urn and said "who's in the urn!" FYI. He thought it was super funny. Then you came home and said it when we were in bed.

Pizza from Letizia's? CS? Chef Luis? Y'all are home a bit earlier tonight.

I love that [REDACTED] wants to take shower in morning. It's good for him. And I love this heated floor!!
