Bella, Jeffrey would like you to update all the girls phones with either the Iphone 6 or Iphone P6 Plus. He says some of the girls may not like the Iphone 6 Plus because it is larger and hard to hold in one hand. Jeffrey bought himself an Iphone 6 and doesn't like it because he thinks it is not much bigger than what he already has...He has asked that you do this task since you have everyones account info...

I will do my own on Dec. 19th when my contract is up! then we are not spending tons of money on the phone itself...I can wait!

I think Jeffrey wants you to order him the Iphone 6 Plus also but am going to ask to make sure...he may have done it himself already!
