Let me double check. I think it is fine for him to go, but lets find out...I have passed along Gregory's cell number to Jeffrey...

Hi Lesley, Gregory also mentioned that he is in the area during lunch today and if Merwin was free at 2 today that would be optimal, if he is going to be around.

Hi Lesley. When you have a time for Gregory to come back , then just let me know, no rush at all, also , in the interim. This came across my desk, so I elected to call her, you will note that earlier in her career she worked at Robert Stern, which is one of the more recognizable names out there, So I thought I would pass it along in case he would have an interest, as I never stop looking! ☺
