Hi Lesley, I just spoke to Gregory , and he is on board with the idea, We all feel it if fair all around, Again, I will take myself out of a temp markup in the hope that it will go permanent, , He is very happy and would really like to work for Jeffery as a full time employee, He requested that if you (Lesley) could let him stop in again for about a half hour ,just to see the space again , so that he can do a bang up job for him! Please advise, he looks forward to his candidacy and hopes to be the next addition to the staff,
