Hi Lesley,

I just had a phone conversation with Lynne Meloccaro regarding the managers' list you sent me last week. She's trying to figure out which ones are the best to contact. As usual, one always needs a very good and strong introduction in order to get them interested.

She might write to Jeffrey about that also. I just wanted to give you the feedback.

Could you please thank Jeffrey and send him my best thoughts? I don't think I have his direct email.

I also hope I will get to meet you one day, on my next trip to New York maybe!

All best,

Simon

Hello Simon...Jeffrey requested I give you the below contacts...the information comes from Lynne Meloccaro from the American Symphony who passed this on to Leon Botstein who is good friends with Jeffrey! (just wanted you to know the stream here!)

Hope you are well!

Hi Leon,

You asked for my recommendation of some managers to whom Simon could speak. Here are some who might be of interest to him. It is really

hard to get good representation these days—unlike the old days when managers nurtured talent, now they are only interested in stealing established stars from one another. This list include mostly veterans in NY and Europe who might be willing to talk with Simon and point him in a helpful direction. The last two are younger managers who may be hungrier than the older curmudgeons.
