I understand there was a miscommunication about the breakfast this morning at 8am...all worked out as Lyn made the omelet's...

[REDACTED], can you please be sure to always relay any important message to Valdson re food (breakfast, lunch or dinner) when you see that food will be needed for Jeffrey...and Valdson, can you please read your emails on a regular basis when you are in NY...this way, hopefully, we won't have any problems...

Thanks, Lesley
